

Questionnaire

to select a Three-Way Temperature Regulator

Criteria	Data	Remark
1. Housing material:	_____	_____
2. *Medium:	_____	_____
3. *Volume flow:	_____	Volume flow in l/min or m ³ /h.
4. Nominal diameter:	_____	_____
5. *Connection type:	<input type="checkbox"/> Flange <input type="checkbox"/> Thread	Designation: _____
6. manual override:	<input type="checkbox"/> yes <input type="checkbox"/> no (standard)	_____
7. *Working pressure:	_____ bar	_____
8. Design pressure:	_____ bar	_____
9. *Temperature range or set temperature:	_____ °C	_____
10. Leakage hole:	<input type="checkbox"/> yes <input type="checkbox"/> no (standard)	If yes, diameter in mm: _____
11. Other specifications		
- Nonferrous metal free:	<input type="checkbox"/> yes <input type="checkbox"/> no (standard)	_____
- Gasket:	<input type="checkbox"/> FKM <input type="checkbox"/> NBR (standard) <small>(more on request)</small>	_____

*: information is absolutely necessary for an offer
